PRODUCT INFORMATION S901-RePla-STVS_TY_EN - 12.10.2022 - www.vs-furniture.com

Serie 901
Rectangular table with post with disc foot, sideboard.

Construction with a centrally-positioned tubular-steel cross-member with welded-on brackets.
Table top of melamine-resin, veneered or linoleum-covered chipboard with plastic or wooden edges. The corners are either square or rounded. Optional sliding top.
Electrification (optional) is provided 1.) by means of push-on plastic cable clips or 2.) by a fabric trough which is hinged on both sides.
Cable outlets (optional) are achieved 1.) through a maximum of 4 metal outlets or 2.) by means of an E-Box for power and data connections, in each case on the left, in the middle and on the right.
Supporting element (refer to table for position) consists of a post of powder-coated steel with disc foot (stainless-steel cover) and a docking position for a sideboard.
The following material groups are available: Frame made of steel tube: M2; Top made of chipboard: L6; Top made of linoleum: L8; Top veneered: F1.
