

PRODUCT INFORMATION M-Bench_TY_EN - 03.02.2023 - www.vs-furniture.com

M-Bench Cheek bench, free-standing or wall-mounted.

Construction of two side-panel elements, a seat plate and a stable, centrally positioned double crosspiece, each made of laminate or veneer-coated chipboard. Additional steel connecting fittings for increased stability. Both side-panels with glides.

Installation. For use in corridors or assembly halls, or in rooms with high safety requirements, also with floor or wall mounting.

The following material groups are available; Top veneered: F1.
