## MediaPro-II Projection board (tilting).

**System.** Projection boards for slotting into the MediaPro-II rail systems. The elements can be easily slid.  
**Function.** Level 1 boards can be slid over elements of the picture rail and the magnetically adherent strip. Level 2 boards can also be slid over level 1 slot-in elements.

**Projection areas.** Sturdy, lightweight design with anodized aluminum edging and rounded safety corners. Aluminum safety hanging fittings with integrated rollers and unhinging retainer at the top. Aluminum-colored plastic spacer wheels at the bottom.

**Board surfaces** in coated matt white for slide, film, daylight, LCD and video projections. Board function. Tilting.

**Note.** The model can only be used in each case within one system, i.e. MediaPro-Basic or Comfort or Premium, and the corresponding level.

The following material groups are available: Projection surface: E(matt white).
