

PRODUCT INFORMATION Uno-M-Teach_TY_US - 24.05.2023 - www.vsamerica.com

Uno-M-Teach Teachers' desk.

Frame of powder-coated flat-oval steel tube with middle leg on flat tapering steel skids with plastic kicking protection.

Tabletop from laminated LIGNOpal chipboard with continuous, molded-on polyurethane (PUR) safety edge.

Features. Select models available with built-in cupboard and drawer, lockable on request.

Handles. Choice of plastic or metal bow handles.

Accessories and options. Glides for hard and soft floors or 2-component universal glides.

Important notice. PUR edges are extremely robust, but can show signs of discoloration over time.

The following material groups are available: Frame made of steel tube: M1; Top made of chipboard with PUR edge: L2; Body and front made of chipboard: L2.
