

PRODUCT INFORMATION UnoBean_TY_US - 03.02.2023 - www.vsamerica.com

UnoBean, UnoBean-Step Skid desk with free-form top.

Frame made from powder-coated tubular steel with central upright on flat-ended skids with plastic kick protection. Desk legs made from flat oval steel tubing and cross-strut made from circular steel tubing. Table in 6 fixed heights or with 5-stage grid height adjustment using an Allen key fixing. Desktop laminated LIGNOpal chipboard with continuous, molded-on polyurethane (PUR) safety edge. Equipment and options. With plastic glides or 2-component universal glides, and satchel hooks. Also with lattice-type book storage, plastic box or different kinds of chair suspension for Compass, PantoSwing and PantoMove. **Warning:** The desk height may vary depending on the type of desktop and the glides. PUR edges are extremely robust, but may be subject to discoloration over time.

The following material groups are available: Frame made of steel tube: M1,(chrome-plated); Top made of chipboard with PUR edge: L2.
