

MATERIAL (COLORS AND DECORS) Mat-C032-042_ME_EN - 16.11.2021 - www.vs-furniture.com

**Plastic colour Gratnells:
C032, C042 light blue.**

Plastic parts. Gratnells boxes are made from polypropylene. Polypropylene is a particularly impact- and scratch-resistant material.

Important note. Material and colour charts produced by printing can deviate slightly from the original and the colours are not necessarily exactly true. The same applies to ink-jet or laser prints from PDF files.
