

MATERIAL (COLORS AND DECORS) Mat-M059_ME_EN - 23.06.2023 - www.vs-furniture.com

**Metal colour:
M059 arctic (≈ RAL 9006).**

Metal parts are mainly used in the production of chairs, tables and racks and are generally epoxy powder-coated.
Important note. Material and colour charts produced by printing can deviate slightly from the original and the colours are not necessarily exactly true. The same applies to ink-jet or laser prints from PDF files. Information on colour systems (e.g. NCS, RAL, Pantone) are always approximate values.
